VILLAGE OFFICE HOURS

8:15 a.m. to 4:45 p.m.

Don't let weeds take over your lawn.

Keep Edgar Beautiful !

Lawns, grasses and noxious weeds should not exceed 8 inches in length as they adversely affect the public health and safety. Non-compliance will result in a letter from the Weed Commissioner to mow within five days or the Village will charge for their labor to do it.

Ordinance Sections 8-1-5 and 8-1-7.

Need a color or black/white copy ?

Need to fax something?

The Village Office has the capability.

Cost: Printing - B/W $.25 per page.
Color - $.50 per page.
Fax - $1 per page

Tax Payment Deadlines

Reminder: For those residents that are paying their property taxes in installments, your second installment is due on or before July 31, 2015 to the Marathon County Treasurer.

Community Update Info

Utility Billing Summer-Credit - With summer and warmer temperatures come residential summer sewer credit? You will notice on the utility bills the Village will be pro-rating sewer consumption and will be reflected on the next two quarters. The credit is obtained by taking the sewer usage from the 4th quarter, 2014 and the 1st quarter, 2015 and divide by 2 for the average. If you go over this average, you will not be charged for sewer.

Pool Credit - Filling your outdoor pools for the inviting warm weather...please call in to the Village Office with the gallon amount used to fill your pool. Credit will be applied to your next utility billing.

Utility Payments - **PLEASE** make your utility checks payable to the **Village of Edgar** and **NOT** the Utility Dept. or Sewer and Water Dept.

Landlords/Tenants - Whether you are moving in or out, landlords and/or tenants, please contact the Village Hall immediately. We will read the meter as close to the move in/out day to obtain an accurate pro-rated final utility bill. This also allows a small window landlords have in which to deduct any outstanding bills owed by the tenant.

Park Reservations - Planning a party - reserve a park, as we have only a few dates left and please be respectful to others as well. The full swing of summer is here along with many family gatherings at the parks.

Volunteers - If you love digging in history, we'd love to have you as our Village Historian.

Swimming Pools - Any swimming pool with a minimum height of 15" to 48" above the ground not enclosed within a permanent building shall be completely enclosed by a fence or wall of sufficient strength to prevent access to the pool. The fence or wall shall not be less than 4 feet in height and constructed as to not have voids, holes or openings larger than 4 inches. Access to all pools shall be restricted by a combination of fences, self-locking gates and/or removable ladders. Gates or doors to the pool shall be kept locked and ladders shall be removed or locked into a position barring pool access at all times when the pool is not in actual use.

RECYCLING MAKES A DIFFERENCE:

⇒ Plastic soda bottles are recycled into fiberfill, fleece wear, luggage, picnic tables, benches, carpet, buckets and pipe.

⇒ Forty recycled plastic soda bottles make enough fiberfill to stuff a sleeping bag.

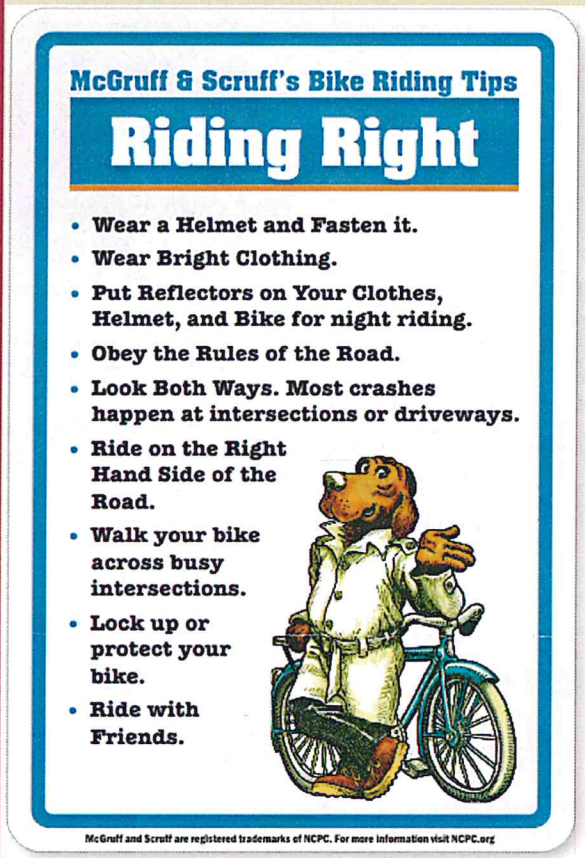
⇒ Aluminum cans are recycled into lawn chairs, construction products, aluminum foil and even cars.

⇒ You can save enough energy to operate a TV for 6 hours by recycling just 2 aluminum cans.

⇒ Newspaper and other paper products are recycled into writing paper, cereal boxes, paper towels, tissue paper and cardboard.

⇒ Recycling one ton of paper saves 17 mature trees, 7,000 gallons of water, 3 cubic yards of landfill space, 2 barrels of oil and 4,1000 kilowatt-hours of electricity—enough energy to power the average American home for five months.

⇒ We can easily put Mother Nature's recycling system to work in our gardens by spreading yard waste around trees, shrubs and other plantings. Some common mulching materials are grass clippings, green leaves, brown leaves and wood chips.



News from Chief Stankowski

REMEMBER :

Clean Up After Your Pet ! ! !

Building Permits ... Summer time is the season to make improvements to your home and property. Please remember to obtain a building permit before starting those improvements, such as a fence, yard shed, swimming pool, finishing basement, re-roofing, replacing windows, decks, building additions, etc. The permit is obtained at the Village Office at no cost. However, if a variance is required, there is a fee.

2014 CCR (Consumer Confidence Report) ... will not be mailed but is available upon request at Village office or on our website.

Blood Bank ... Blood Center of North Central Wisconsin will be at the Village Hall on August 10 from 3 to 7 p.m.

Advanced Deposal ... Any garbage issues, please call the Village office to let us know. Remember to have your garbage dumpster/recycle bin out on the curb by 6 a.m. on the day of pick up. Only garbage placed inside of your dumpster will be picked up each week. Extra garbage bags left beside the dumpster or on the curb will not be picked up. **REMEMBER: Recycling cardboard must be 4 sq. ft. (2' x 2' is ideal).**
