

May 3, 2024, Construction update!

North Section of Hwy H/3rd Avenue:

The last sections of asphalt are being placed today, and the detours will be removed shortly! We appreciate your patience throughout the project. Garbage and mail should be back to normal next week. Final line painting will be completed by Marathon County in mid-June.

Birch Street:

Construction progress has been made this week, and the sewer main installation is scheduled for Monday. Garbage collection on Birch Street can proceed as usual; our crews will relocate your containers as necessary.

Thomas Hill Road and the South Section of Hwy H/3rd Ave:

Please note that the Village garage sales are scheduled for May 16th, 17th, and 18th, 2024. While the project will officially start later, the asphalt will be removed starting mid-week next week. Garbage collection on Monday will remain unchanged, and we will keep you informed about the plan for temporary mailboxes as it develops.

The South Section of Hwy H/3rd Ave is set to begin on May 13th and conclude on May 23rd, 2024. Please be aware that schedule changes may occur.

Anyone wishing to inquire about driveway construction by the same vendors that are being used with the Village's projects, the contacts are:

- Asphalt - American Asphalt – 715-693-5200 ***Please not the new number to the Office!***
- Concrete - Switlick and Sons – 715-551-1527 Adam Switlick

Please remember that Village regulations on driveway width have increased to a maximum of 30' at the opening. A driveway permit is required for all updated driveways; there is no cost for the permit if you are in the project area.
