## BUILDING PLOT PLAN FORM

**Use this page if:** This building permit application is for a new home, addition, garage, fence, sign, pool, deck, shed or any other structure that will require the use of **land space** on the property.

In the space below, sketch a *layout (birds eye view)* of the property. The drawing should be as close to "scale" as possible. Show the lot, with dimensions; adjacent streets and alleys; and **existing buildings** (with dimensions and identification ie. house, garage). Then, outline the location and size of the structure you want to build. Indicate the distance in feet between the proposed structure, existing buildings, and lot lines.

A large grid of graph paper, consisting of 30 columns and 30 rows of small squares, intended for sketching a building plot plan.
