Departmental Update - Officer Plautz provided the following Department update.

--Vault/evidence room construction has been slowly progressing. I have someone willing to donate their time and a lot of the materials to make this project happen and do so well under budget. He thinks he will need us to purchase the secure door and frame, but has already found a lot of what is needed to create the wall. He is also talking to some electricians in the area to see if they will donate their help in getting the vault properly wired for the refrigerator in the back.

-Ben Smith will be sworn in tonight at the board meeting.

-This month's training topic for the PD will be high risk traffic stops. Stratford PD will be hosting it this Thursday night.

-A sincere thank you to the village and the board for having me here for the last six years. I don't take this decision to step away from 27+ years of public safety lightly. I have a lot of great memories from my time in firefighting, EMS and law enforcement. My last day here will be Saturday, March 30th, from 8am to 4pm. I will still be working with the training group and donating my time to train the multiple agencies on the west side each month. I am very happy to work with the next Chief to help them transition into the new position.

Ordinance update for Municipal Court: Motion Lepak/Werner to approve the Ordinance update, as presented, for Municipal Court adding the Village of Weston. All ayes. Motion carried.
