Update on 2024 Street and Utility Improvement: The final coat of asphalt has been completed, which then completed the 2024 Street projects. There were no questions or concerns discussed.

Discussion on 2025 goals/budget: The 3rd Avenue sidewalk/maintenance/replacement project was discussed. In conjunction with the 2025 County Hwy H/3rd Avenue project the sidewalks will be reviewed. The Ordinance has criteria for determining replacement and repair. At this time, the public works department is marking the sidewalks. A list will be compiled and reviewed, and notice will be provided to the property owners with the findings. The costs can be collected through special assessment charges if the homeowner wishes, with an interest charge.

Maple Street (between 3rd Avenue and 4th Avenue) was discussed due to its poor repair. It was stated there is concrete under the length of this road and the asphalt company recommended having that dug out prior to any resurfacing as it will continue to break up if left in. Further investigation will be carried out and brought back for budget discussions.

Adjournment: Motion by Schueller/Werner to adjourn. All ayes. Motion carried. The meeting was adjourned at 7:51p.m.
