BUILDING PLOT PLAN FORM

Use this page if: This zoning permit application is for a new home or any other structure that will require the use of land space on the property.

In the space below, sketch a layout (birds eye view) of the property. The drawing should be as close to "scale" as possible. Show location, boundaries, dimensions, uses and size of the following: subject site; existing and proposed structures; existing and proposed easements; streets and other public ways; public utilities; off-street parking; loading areas and driveways; existing highway access restrictions; high water; channel, floodway and floodplain boundaries; and existing and proposed street, side and rear yards.

A large grid of 20 columns and 25 rows, intended for sketching a building plot plan. The grid is composed of small squares, providing a scale for the drawing.
